Subject: Tax timelines

1. Does it work for you if RJ gets you draft income tax returns (Fed and State) w/extension calcs by 3/20. He is not receiving important, and obviously significant, info from Apollo until 3/15.
 2. I'm told you have draft gift tax returns already.
 3. Regarding use tax calculation (and payment due on 4/15) RJ says he is waiting on Melanie and Heather who are working together to pull together some missing info.
Btw, if u don't already know, there is a likely a use tax payment associated with "Friends Partners" which is being overseen by the Lauder office.
 4. I assume you know of the intention of get extensions on certain 3/15 filings (eg, AIF, Pent).
- Best, b
