Subject: my retirement money

Hi Jeffrey,

I have a tiny amount of money in my retirement funds that slowly accrue =n 401 and other things. What funds/bonds distribution should I keep =hat long term money in? It's just sitting in money market right =ow.

I know this is WAAAAY below your pay grade, but I have no idea how to =ecide what it should be stored in. Most of my other stuff is property =nd as you know, illiquid US and other tech startups.
