I just called and these are available, not sold out and I can order today. It would take about 2 weeks to arrive to us.

Each one assembled, prepped and delivered to your shipper.<=>

It's looking like mid-April before we could get them all, they are taking orders on the Pro FX, they are not taking new orders on the FXT, we have one still on back order from the previous order period and I'm sure I can find the second one from another dealer.

Thank you as always for the opportunity!
