what is stupid about it ? You said I needed a job that pays a rent and a living because mine is not well paid. I agree, but I haven't found any better offer.

Since I cannot follow my dreams because it's "stupid" and can't work in finance either, If I become an escort girl, make 60k a month, be independent and pay myself a rent would you be proud ? According to what you said: "you chose a job that pays little because you like it, instead of choosing a job that pays the rent." In your sentence and from what you told me previously, you seem not to care about my career path and my passions but only about how much money I make in order to pay myself a rent, regardless of what I do. This is what I understood. At the moment I might have a job that pays little but at least I'm working hard, I'm learning and I'm helping myself.

I never had a relationship with an 86 Year's old man= He was just helping me to pay my rent. At that age you can't have any sex. If you want it to put it that way I had more of a relationship with a 60 years old man which is also not ordinary.
