Subject: Fw: Britt Harrington's Contact Information

Hi Jeffrey,

Happy Birt=day!

</=iv>

Carlton Dowe =ame out to the office to speak to me re the RFP on the proposed hangar fac=lity. He said that Larry V has been speaking to Britt Harrington and=Harrington, in turn, spoke to Dowe. Dowe thinks that something can b= done to get you the hangar space that you need without you having to be t=e one to go through the permitting process. Apparently this Har=ington person is willing to do that. Dowe would like to have a meeti=g with you and Harrington. Is that possible?

=ith warm regards,
Cecil=
