Hi Dr. Krauss.

This is Anne Ryman with the Arizona Republic newspaper in Phoenix.

We've talked in the past on academic topics. I was wondering if you would have time to talk either Tuesday or Wednesday to talk with me about the allegations made in the recent BuzzFeed story and some of the fallout that has resulted from those allegations. I notice today that you have resigned from the Bulletin of the Atomic Scientists Board of Sponsors. Overall, I'm wondering what your response to these allegations is and also what is the fallout that you have seen so far (i.e. have you been asked to resign from any of the boards you serve on or has this been your choice and also I noticed there are some speaking engagements that have been cancelled.)

If you are more comfortable talking over email at this time, we could do that also.

Thanks very much. I appreciate you considering this request. Take care.

Sincerely,

Anne

Anne Ryman
