Subject: p.s.

someone called a couple of days ago from Reuters doing a long piece on you, so he said

we talked for some time, me emphasizing variables not commonly seen in the press, such as your integrity

but i have long experience with the press and trust not a single one of them; they will listen sympathetically, giving off positive noises where appropriate and then go ahead and write whatever hatchet-job they have had in mind in the first place !!

hope you are fine
