hi jeffrey,

..i didnt send you more pic=ures because nothing new happened lately, we started sealing the gold leaf=d lines.., besides we worked only a few days for the last two weeks.=, they installed the scaffolding, and then everybody was off at the house.=

anyway, the crown molding would look like in the pictures attach=d. in the third attached picture i gold leaf only the front si=e of the cubes and the vertical bars, and in the forth attached picture yo= can see i gold leafed the entire cube(the sides too), and the vertical ba=s i gold leaf half inch around the corner so they look like solid bars.

i think we might be done in one week with gold leafing=.

happy new year!
