████ says the reporters are hounding her...one got past her doorman =gain...she is being told by the reporters that she was indeed on the =sland when ████ was there (it states so in ██████ testimony =nd perhaps a flight log- she wasn't sure on that) But ████████ is =sking if she could get ████████ testimony where she is =entioned..████████ feels blind sided by these questions...it was so =ong ago, she doesn't remember every detail. ████████ is also asking =f she could speak with your PR person because she needs help on how to =nswer these questions...she says she needs your help and is asking if =our PR person could call her or if you could give her the PR name and =umber for her to call.
