=div dir="ltr"> Hi Jeffrey,

Happy Birthday!

Carlton Dowe came out to the office to speak to me re the RFP on the propose= hangar facility. He said that Larry V has been speaking to Britt Ha=rington and Harrington, in turn, spoke to Dowe. Dowe thinks that som=thing can be done to get you the hangar space that you need without you ha=ing to be the one to go through the permitting process. Apparen=ly this Harrington person is willing to do that. Dowe would like to =ave a meeting with you and Harrington. Is that possible?

With warm regards,
Cecile
