On Monday, in discussion of cash flow=with BW and EA, I slated \$10MM as a tax payment to IRS on Jan 15 represent=ng the cash DRB would be receiving as a tax distribution from APO 2. This was revised to \$9M based on update that only \$9M wo=ld be moved from DRB account to joint account. Previously, have had =iscussion with BW regarding estimated tax payments and timing between Jan =5 and Jan 24. The accounting group has been compiling the cash at US Trust where we have check writing ability. =hen the time come to fill out check, we can review payee/amount.

Brad just call back today – \$9MM should now =e moving shortly to joint account (US Trust)

A separate \$9MM has been moved from DRB account to J=nt account (US Trust)

I propose to now increase the tax payments --=principally IRS by \$5MM – total \$14MM pay Jan 15 2015

This will leave \$5MM in the joint account (US Trust)=u>
