Hi Noam. Absolutely. I was just thinking about this. My wife and I are currently planning to come down to Santa Fe on the 21st and stay with our friend and then we can all travel to Phoenix on the 22nd in the morning and you can check in the hotel and relax in the afternoon before our even, during which you and I could spend sometime going over things we might discuss during the dialogue. Then in Monday morning I am assuming you will leave with Jeffrey in his jet to Boston.

I can try and get some detailed potential departure times if you want. =/div>

Can we work out the details now?
