Subject: Freedom!

I can't thank you enough for the freedom you have given me! It feels so good=not to have to be tediously careful about every cent I spend. I'm not talki=g about being frivolous, I'm talking about feeling too scared, before, to take any chances. Since your gift, my business has taken off and is so mu=h fun and exciting. When you have time, remind me to tell you about the fou=th stage advanced prostate cancer client I had who is now completely healed= seven months later. No chemo or radiation. He swears it's because of me. = I am giving lectures as well, and I'm not sure where things will lead but I=m so enjoying the ride. And here I was about to give up on my health coachi=g.
