our residency slots are capped by the govn't as they pay some of the=cost for medical and dental trainees. I needed her info that I'd requested=much closer to when you emailed me originally 11/3 and got it on the 26th by that time the class was capped. =nbsp;I don't like to fail a request of yours but this was a non starter by=the 26th as it was the same day they sent the emails that all their select=ons had been made. Wishing you a happy and healthy 2015!! R.

residency positions for&=bsp;advanced training in<=span> general practice dentistry. Mt. Si=ai, New York has now completed invitations for interviews of selected=prospective applicants. Please note that we routinely receive fa= more "qualified applicants" than those we are able to select for=interviews. For those of you =who may not have yet been invited for interviews, please do not feel =iscouraged. Dental Residency applications continue t= be at their highest levels and applicants to open position ratios remain =ighly competitive.

Please be assured of o=r best wishes as you pursue excellence in the provision of dental care.=/u>
