Subject: could you put something like this out. if you want

I have to hand it to [REDACTED] I'm sure she deserves the pretty penny she has made for her effort . She has certainly caught the imagination of a public hungry for salacious fiction. To suggest her story is anything other than that, a fiction , is ludicrous. Presidents at dinner on caribbean islands. (clinton was never ever =A0 there, easy to confirm).

[REDACTED] with a Prince ([REDACTED] too small even for one adult). sex slave being paid thousands of dollars. (while at the exact same time, she was working as a [REDACTED]). being [REDACTED] a prime minister though this is prime minister, never out of sight of his massive security detail also never visited the island, , sex on a small airplane with a [REDACTED] while the other passengers must have been all looking out the window=20 during the event . I would have thought that her fabrications were readily apparent , but now , being asked to deny what the press has=20 termed her " allegations " is frankly silly. ok= to play along I deny each and every allegation . The only person she didn't suggest she was forced to have sex with , was Bilbo Baggins. , =maybe its in the sequel.
