FOUND IT,,

one of the Left side flap actuators is jammed,, easy to see when you try to turn with your hand from main wheel well.

we are ordering both actuators now,, we will remove the Left flap today=. parts will be couriered to my helicopter helper friend Tod home tonight,= who will hand carry the part on airlines,, he will arrive tomorrow i= SJU at noon is the plan for now.

FEDEX does not deliver until Tuesday,, and if we counter to counter Cu=toms will hold the part until Tuesday to clear it in,, I've =een this before,,

Tod's time is free,, airline ticket is only \$288 ea way,, fast way=to get plane repaired.

good plan?

thx,  
larry
