I just remembered that a few =eeks ago, before the recent press barrage, I was in 301 and had =o go to the 12th fl (lucie's apart.) =here was a blond girl texting away waiting for the elevator in the =obby when I got there. When we got in she pressed =. I assumed she was one of yours due the glow of the neon =imbette sign on her forehead. Reminiscent of the chop =uey signs. In the elevator I asked her if she =orked for you. She said she was your friend but didn't =ork for you. I told her I was your brother and that she =should say hi for me when she saw you. =nbsp; She said I didn't look like =our brother. =nbsp; Oh =eally! I said she must have seen an old photo. =he wouldn't give a name when asked. =a.

Just in case she told you =bout this, I wanted you to know that it was me, and not someone =nooping around.
