dear Jeffrey

sending this on my more private account

very sorry to see you in the news almost every day—yet another story today in the Guardian about you helping to support schoolchildren in the Virgin Islands

the only upside is that you look good in all the photos—nothing like the man they are trying to paint

i do hope this publicity is not a great burden in your life—and that there are no legal implications lurking

i had the illusion all this was behind you and that you had taken numerous steps to make amends in Florida at least

anyway, i wish you the very best; we are, as you said, friends and friends back friends; i doubt i can be of use in any of this except as a witness for the excellent work your Foundations support !!

but in any case

stay strong and good, just as i know you

bob
