Ha, the sequel comment is great. Bu= I don't think it's my place to discuss her accusations of other people...= know nothing about it and never met her or Clinton. The points I can legi=imately address are the nature of my involvement with you and some smoking=gun allegations by the other girls. I will talk to a lawyer this week.&nbs=;

=t could really be fun if I made a viral video that showed how easily peopl= can be fooled, followed by a statement saying the stories are obviously f=lse. If it's fun, tabloids may cover it...

Btw, I was invited to go to Davos...does not see= like such a good idea at the moment :)

I have to hand it to ms rob=rts. I'm sure she deserves the pretty penny she has made for her effort . She has certainly caught th= imagination of a public hungry for salacious fiction. To sugges= her story is anything other than that, a fiction , is ludicrous. Presidents at dinner on caribbean islands. ( clinton was never ever&nb=p; there, easy to confirm ). Sharing a bath with a Prince ( =athtub too small even for one adult ). sex slave being paid thousands of d=llars. ( while at the exact same time, she was working as a ho=tess in a burger bar ). being lent out to a prime minister though t=is prime mininster, never out of sight of his massive security detail also never visited the island, , sex on a small airplane with a famous law=er while the other passengers must have been all looking out the window=20 during the event . I would have thought that her fabrica=ions were readilly apparent , but now , being asked to deny what the press has=20 termed her " allegations " is frankly silly. ok, to play =long I deny each and every allegation . The only person she didn't suggest s=e was forced to have sex with , was Bilbo Baggins. , =maybe its in the sequel.
