You and I figured this out a while ago=

Too bad we are lousy scientists and much better b=ck seat drivers!!

Supercool

I think and hope there will be some new science funders on the horizon wi=h an appetite to do innovative and edgy things. Have you heard of gatsby tr=st? (Lord sainsbury).

Also thing there are s=me new dimensions with computation and post processing that could change th= game for (at least) diagnosis

Tried calling=you --
