Hi all,

I'm alre=dy having a hard time dealing with the transition and It's very unc=mfortable because everyone knows that I give LSJ/GSJ 100% no matter what. I=E2=92=92m now terrified of using my Credit Cards and doing anything for my h=use & my girls even though Bossman said it's ok.

It's very hard for me not to feel some type of w=y about these re-occurring situations without facts. The lack of communicat=on between everyone is out of control especially when I'm speaking t= everyone as much as I do.

I feel like I=80=m in a game and it's very uncomfortable. If anyone would like f=r me to do a different job for whatever reason. I don't have a prob=em with that. I just need to know what you you guys would like for me to do= I would like to do my job to the best of my ability like everyone else.

I'm not sure what's needed of=me anymore because everything seems to be an issue. Can you guys please sen= me a list of things you would like for me to do or a list of things I shou=d be doing going forward?

I'll be=at the office Monday-Friday and Saturday or Sunday if Bossman's in r=sidence.

Thank you,
Ann R.
