attached is quote broken down by area,=materials and labor  
master bedroom pricing seems out of line..and i wi=l call tomorrow to negotiate..

master materials f=r 1,000 sq ft = 76,670  
estimating 26,670 of material pre= costs then cost per sq ft is still \$50 for 7" widths  
th=s compares to Chillax material (see quote below) of \$14.23 per sq ft for 5=E2? widths

i was told they would like to beg=n work April 1st and finish no later than May 4th  
they will brin= down a 2-3 man installation crew and then 2 finishers for master which wi=l need 3 applications  
materials from master will be ordered from=holland and take 1 week to arrive in FL  
if we want to use =ame material for cabanas 1-4 we will need to decide asap so that 1,654 add=tional square  
footage can be ordered as well..

pl=ase advise  
thank you
