sorry sorry I expect this natural disaster of a medi= shit storm will last the month. like a hurricane or tsunami, little can be done=to effect it. if you stand up now , it is not without risks, =the press only wants to complete its version of a salacious story , not hear the truth, so any denials will be met with a stronger wind of allegations =20 . Unforrtunatley I think after its over this time , and it will=be,= again, we will need to assess damage and begin a strategy to rectify,=20 modify, but it will not be the same. you are physic=ly fine, as am I . I however recogninze that that is little comfort at the mome=t. If you need anything let me know.
