Since the Klipch front L/H and R/H Klipch speakers appear to=be working good,
what do you think if we replaced the Front Center channel speaker and =ide surround speakers (R/H has blown
speaker), since this is our weak=link at this time?

Klipch P27S Mid Surround speakers \$4,000 pair <http://www.klipsch.com/p-27s-surround-speaker/details>
