Medea

Jeffrey

You are correct Medea is crazy.,

I stayed in STT last night to wash the salt off helicopter and took morning flight to Miami., When I got to baggage claim in Miami I was approached by a mid 30's aged British reporter, tall with light gray suit., asking me questions and was obviously following us yesterday., he knew I flew the helicopter yesterday., I said I have have no comment.

He was very aggressive with me, I told him I would call the police if he didn't leave me Alone., he persisted and I waved for airport security., He then left at that point quickly Just heads up.,
