**Subject:** St. Barths/Happy New Year

Wishing you a very healthy and happy New Year...and a sincere thank you from the bottom of my heart for your loyal friendship and legal protection. No one has been more generous to me with their time and resources.

Your support is a huge part of my confidence in my daily ambition to be successful in business and life. Thank you.

Here is a little run down on life in St. Barths this week.

I went sailing the other day on photographer Patrick Demarchelier's gorgeous 60 foot Swan (built in Denmark) with a navy hull and matching spinnaker. Patrick was actually bedecked in matching rumpled blue linen shirt and Bermuda shorts...as only a world class fashion photographer could color coordinate the day.

Misha Baryshnikov and his filmmaker wife Lisa Reinhart were on the boat...as he had a photo exhibition of dancers in the port town of Gustavia that night.

We had a wonderful conversation about his films..."White Nights" with Gregory Hines in particular. It was directed by Taylor Hackford, who at the time was having an affair with Helen Mirren (whom he later married)...lots of intrigue on that set.

Helen coming to Broadway in "The Audience"...a must see.

We all chatted for two hours while Patrick and his crew worked like dogs pulling ropes, adjusting sails and making the boat fly over the water.

It was a wonderful treat to find Misha in St. Barts as he has not been here in years because he has a home in the Dominican Republic for 15 years next door to his friend Oscar de la Renta...and now widow Annette.

OK...I am having a terrific time here and went to Larry Gagosian (with Christie's) and Dasha Zhukova (as you know, married to Russian billionaire Roman Abramovich, with a 500 foot yacht "Eclipse", in the harbor) New Year's Eve party for 200 fabulous and more fabulous.

Guests....

show biz people, including Leo DiCaprio, Selma Hayek, Darrin Aronofsky, Tobey Maguire, Chris Rock and Cloe Signify.

Also artists in attendance were Ulf Fischer, Richard Prince, Harmony Korine, Patrick Demarchelier along with Jimmy Buffet and new tech billionaire Jack Dorsey (as you know he invented Twitter).

Then an assortment of hedge fund guys ...our present day Medici patrons of the arts such as Debbie and Leon Black, Debbie and David Rubin, Len Blavatnik, Catie and Don Marron, Bill Bell, Nicholas Berggruen, Tico Magrabi, Samantha and Abby Rosen....and Roman Abramovich.

Socials included Derek Blasberg and Nick Brown, Lyor Cohen and new girlfriend Chin, Wendy Murdoch, Svetlana and Alexi, more Russian billionaires...and Princess Beatrice....shockingly staying on yenta Susan Hess's boat.

Too much info...  
Happy and Healthy New Year...  
to New York City's most brilliant, mysterious and interesting guy.

Also went sailing yesterday with Milly and Arne Glimcher on 125 foot sliver=sleek chic sloop "Ghost" in a race around the island. Seven adorable Austr=lian crew made the boat keel over with all of us sitting on the high side =or ballast.

Had/have lunch every day either with Larry Gagosian and Chrissie, or Samant=a and Aby Rosen, or Brooke and Dan Neidich or Sarah and Izak Senbahar on F=amand Beach.. Everyone on the beach has been super inclusive and totally =ice to me.

Hope your holiday has been restful and fun.

I know you mentioned coming to St. Barths to take me to your island...but a=umed you were too settled to move....I actually was OK here...I still wou=d love to see your private paradise. Tomorrow is my last day.

I got a ride home on Catie and Don Marron's plane on Saturday.

When are you in NYC? I have six events next week! Want to see invites and=come? Will send.

Going to the Golden Globes in L.A. the following weekend...
