Hay. Here is situation! If you agree, i=can go tomorrow at 12 o'clock to Pula where the boat is , in Army port.=I will reach Pula by 15 o'clock. They will show me boat, i wi=l take photos and send you immediately, of all parts that you want. We agr=ed of the test drive as well. Sun goes down at 17 o'clock, so we=have about 2 hours for all that. Than you will have to make final de=ision. Because they have Army buyers from Greece on Monday. They do not wa=t this people to travel if we take boat, so they want to cancel them on ti=e. If we do not decide to buy tomorrow, Greek buyer will most probably take=boat, because they have done deals with them before. Only because of the m=n who Sent me, they are treated me on this way.

For the Cabin, thay say ok- first we buy boat, than they will make new =abin specialy for this boat, and we will have to pay for that extra. At th=s point i did not ask how much, because it will depend on the Cabin size a=d other things. They can not use Cabin developed for the other model=because it does not fit. But are willing to deal with this.

So, now it is time for you to say. Do you have answer= that you need? Should I traveel tomorrow ? or should we wait to see what w=ll happen with Greek guys ?
