Subject:	Precor Delivery/set up of internet after thanksgiving.

See below from Carlos re delivery of Precor. Please advise if you wish to ha=e the service tech come out and hard wire you to the Internet week after th=nksgiving:

The AMT is fine with a regular outlet for the console. They will need to pro=ram the unit with whatever type of cable, satelite ir other. Also, it can b= hard wired to the internet for internet based usage. This is generally don= by our service techs on a separate visit, which we can do the week after t=anksgiving, pending he wants to use all of that....
