1) Performance at ayh is improving. We have made a deal with your pal paiewonsky re the dock dispute which will ultimately result in the reconfiguration of the docks and an upgrade of the facility overall. The market in general is improving for botch dockage and retail so whereas there was effectively zero equity in the asset a year ago, we are headed directionally in the right trajectory.

2) The lending environment for these types of assets overall continues to be difficult. Even if it were not, the ability to refinance and extract excess proceeds does not yet exist. We are, however, in discussions with bppr to extend the term and fix the rate. This is the time to do that and we have some cash in the bank that can be used as "bait," i.e. We can make a modest amortization payment in consideration of their granting of the request.

3) I am out of town all next week on the west coast and I would prefer to be with you when lawsky comes to call. I know he would prefer it as well.

4) Any visibility on whether or not there is a run off or did mapp win?

All but directly adjacent. If you go to Atlantis definitely take the girls for a walk through The Dig. Take them for a ride on the aquaventure river ride. And then go to The Cove to hang out by the pool. It's like an outdoor night club during the day. What is taking you there and why?

Nothing in particular. It's a beautiful spot. Have lunch at Dune on the deck. Order the steamed shrimp and avocado salad. That's about as exciting as it gets. Unless you go to Atlantis in which case it's a whole other ball game.
