Why do you want \$1.5= of rectification when you know the aircraft just came out of a C1 check.=C2

I am don't think=anyone BBJ Will trade this low unless its a damaged aircraft like the one =our friend bought.

This is what the sel=er lawyer provided as a something to discuss.

Let's look at it=with an open mind!!

I previously turned this offer down. i do so again. . =A0 I will have my guys attempt a re draft m but as you probabl= already know the other bbj aircraft appears more appealing. =C2 Terms that i will agree

25 million after visual. 2 million to you if we walk. .=C2 you need to make good on 1.5 million of rectification. before =alking, and if you don't , you pay all our expenses including inspecti=n fees , travel , time, etc. . you will have a lien on the boe=ng only. for 2.5 . if you sell it for more you keep it. I will keep trying to=sell it as well. If it doesn't sell by

the time the bbj i= in service after refit. . we part it out and you get the proceeds.=C2 I recognize your client is not a happy camper , but the market is what it is,
