Hi Gregory,

◆=A0

We have to separate ALL stock items since the quote was "one bulk trip to NY for all apartments, which was going to happen together with the furniture from our factory in February. Now we will forward all items to be marked separately one by one since they will go to different apartments, also we have the additional items you ordered last month and needed to be included.</=iv>

Unfortunately we have to wait for the freight company to send us the quote with any possible adjustments.

Regarding the PB, is in schedule for Thursday, 18th.=/u>

We appreciate your patience, at this time of the year all clients want their products, so it is very hectic.

Regards,

Eduardo,

I d=dn't understand why this is taking so long to extract a delivery date o=t of your company.

This=merchandise is in stock and I was told you needed to get the Items out of =our warehouse
sev=ral weeks ago, so why the delay?

O= December 5 I had a detailed telephone conversation with Rosana in which s=e promised me
profusely that I

would have a delivery date within a day or two of the wire transfer=which happened last monday.

Now we are s=arting another week without a schedule. This is unacceptable.

Both my client and Rich are at wits =nd repeatedly looking for an answer as am I

<=iv>

and we are all losing our patience.

Good morning Gr=gory,

I was out of the store.<=u>

<=span>

Rosana got a great quote for the whole cargo, white glove to a ce=tral warehouse in NY and different shipments to the apartments, as she exp=ained to you over the phone. I am sure she will be able to revise the frei=ht information, since the client decided to split the cargo in 2 shipments=from Miami.

Please have in mind the new requ=et to separate the freight was recent and there are a lot of items to consi=er, once the freight company answers Rosana's request, we will sen= it to you ASAP.

Thank you,

Eduardo
