UCLA is a non starter. way way to big of a school for [REDACTED] he needs a school 8000 students or less other wise I would be looking at Michigan or duke... he's super focused. Even my friends from Cali don't want there kids there they prefer usc, UCLA way to many foreigners living in LA.

UCLA is a long way from Harvard!!! Just tell him if you can't help him he's a realist I don't want him to get his hopes up...and be disappointed I know his grades are good enough for a donors request that's for sure. Way better than Zucker's son way...and [REDACTED] is a great kid but not even close to having [REDACTED] package the only difference Jeff pushed him in there. Where are you?

Lol
