Hy jeffrey,

I talk to Boris and Boris talk=d to you, and then to me. I do belive that Boris told you t=at he guarantee for me and money transfer.

As far as boat i= concirn, I put myself as a buyer in their books. And they were checking m= last week, for 3 days, and told me- I am ok for them. Their greatest conc=rn, when selling to privat person is that person is clean so that=no dirty activities will be conected with Army of croatia. Therefor, they =re always more happy to sell it to another Army people. This is exception.=At the end, boat is extra fast and has small radar visibility- ideal for s=uggling f.i.

As I will be co-owner of Von Lux gmbh by new year, =nd I am buyer for them, everything end up with me . To whom=I sell boat latter on, it is fine with them. I did not mention you as a bu=er, because of several reasons. Now, it is good like that.
