not sure if I answered you.

Almost all people I know in Croatia have bank accounts in Switzerland.
Also many companies in Croatia are using Switzerland bank - odd but fact.

For better or worse, this was the reason that sent so many in chapter 11 - they all took huge loans on swiss franks, and when swiss franks went so much up - many of them went down.

And many use intermediaries - I just checked it seems that this is an intermediary specialized for Croatia and Slovenia

I will check with Zoran tmr.
