Jeffrey,

Our APU for Boeing just arrived in Palm Bch, we are planning to move the Boe=ng into Jet Aviations hanger Friday to start installation. We contracted Jo= Smith and two other American Airline mechanics to install, Joe is a B727 e=pert and is employed by American Airlines as a maintenace instructor. He is=well versed on B727 and provides us routine support.

If all goes well, installation is scheduled to be completed Sunday night.

Thx  
Larry
