I wrote you a Skype message, hope you've seen it.

Wanted to say you everything on a menu, just if you have time to think about it, sorry for using your time and attention, I am very thankful <=div>

So , this is the task of the days :
or I would say of the years

I want to go to New York or Paris , I don't think of New York because
Im so not believing in a visa , thats like an unreal dream for me .♦=AO

So Paris is easier, much easier, and anywhere is easier , when=you satisfy the main things for the embassy :

you prove that you have sources (i usually take care of it with all fake bank papers and salary papers)

you give them A GOOD reason to let you out with all the checks=and payments

and you prove that you have accommodation

and then you prove that you will not stay there or run away there.

Uzbekistan has a problem, everybody runs away from there. that= why they are so strict.

Now, according to that, there are=several ways which I know to get a visa : study, work invitation, tourism
=which is short term) , marriage.

As I CAN NOT afford any of these ways, Im saying in [REDACTED]

trying to do my own work for a future,♦=AO

now I got my school experience, and Im so happy to have a computer, that=gives me so opportunities, but I still
can not shoot, because I don♦=99t have camera . I can't earn money on that talent.

Thats why its sad to go to [REDACTED] beca=se stuck again.

I became so happy that I found what I like =n my life, I want to study drama, Im in love with cinema, I tried here
so =any times in school and people loved me.

I dream to build up the whole movie and I have a brilliant script !♦=A0
with all the self-made music and frames.

=/div>
and the fact that I have a big dream so stable means a lot to me.
thank you for that.

p.s. Lesley got me a ticket back on 23rd of september, that wa= before stamp, so could you please ask her to contact me to change the dat=s of it , because I went to Turkish Airline to do it by myself, and they r=fused, they told the owner of the agency who bought it should change it.=C2♦

Im afraid to overstay not having a ticket b=ck, because even in case of emergency I can't buy a new one, all I=have is 40 euros.

and yes, a much bigger ass))))
