Dear Carlyn<=u>

It was very good to see you on Thursday and thank you again for thinking of us in relation =C2 to this possible matter. I have reflected further on all of the=facts you provided to me and I am still sure that this is one that my partner in Geneva, Michael Wells-Greco would be best p=aced to deal with given his particular expertise in cross-border successio= planning and conflict of laws within Europe on which he also lectures at =aastrecht University. I will fill him in on the background and then hopefully he can liaise with you / your =inancial adviser contact further.

Michael's full=contact details are:
