- 1) BG was mobbed after the harvard event and I decided not to behave like a=groupie. I did not get to send your regards.
- 2) I was speaking with Michael Lynton today and mentioned that we were hopi=g that WA might be excited about accepting the award we offered (the one t=at Lynton accepted last year). He thought it was a wonderful idea. He also=said that there was a sony division that distributed WA's films and that t=e head of that division actually attended last year's event. While michael=did not say so I suspect they will offer their support for the idea. Assum=ng he himself has interest, of course.
- 3) I hate UN week. Traffic is a disaster.
