Dear Joi,

Martin has told me that perhaps you might be able to help with =organizing appointment/visa for my project. Is there anything I can do at this stage? I know that you are very busy, =ut I expect the process to take some time, so we should get it started, =f possible.

We can skype at any time. By the way, I will be in Washington DC for the =AAI cognitive systems workshop, and could easily come over to Boston =efore (13th/14th of November) or afterwards (18th of November). I could =lso come at another date, if convenient.

Bests, and thank you!

Joscha
