Hello Richard and Brice,

Attached you will find a few ideas for our water taxi/crew boat.

These will be the high tunnel models E2 which work great in rough seas.

From what Brice was telling me I think either the Jennifer Black 46 Cat with outboards would be best, next maybe the 39 Bay ferry.

Or if you are thinking cargo and crew the 46 HDR would work- this boat works in very rough seas in the North Slope Alaska. The love our cats they now have 3 of our boats.
