Attached is a 3 page drawing of =he proposed conference table. The table would have wood veneer on all e=posed surfaces. The banding would be a 1.5" "Queens / Coney Island=94 style banding around the perimeter.

Three (3) 1.0" scoops will be =ormed into the underside of the fwd table leafs (exposed when leaf is fold=d on top of the main table) for pens, glasses, etc.</=>

Please review so that we can get=started on this table.

Thank you.<=p>
