We spoke to a contractor from St. John =99s that works for another client of mine down there he knows blue water as=blue fin he said he was a very good contractor that was our reference =div>His pricing was very expensive almost double The contractor i= St. John's is a Guy we were considering to bid on LSJ has his own e=uiPMENT and is the same caliber as blue fin he was not available to meet wi=h us last week

I hope this helps sorry mark i= down with flu he sent me a text in the middle of the night and I got this i=fo this am I also called our reference in St. John this am he confirmed mar=s call
