so i modified the lines on top of the arch, and i painted with the dark brown you chose the horizontal lines.

on the left top=left side i painted the blocks of the rock. they have a little distance=in the between rocks like 1 inch.

on the window side of the building i painted some horizontal lines with =ust a little distance in the between lines and rocks too, like 3/8 inch. should we do with 1 inch distance between blocks or 3/8 inch?

.=.....  
then i was thinking to do the white horizontal lines creamy color like i= the picture you've sent it(see bellow).

or do wit that creamy =olor only the blocks in the corner and around door and leave the white the=rest of the line? or maybe to the creamy color the entire white line and l=ave it white only around the door?

.....  
should i do the inside a=ch the design in the picture below? (the arch is not finished yet, i have =o do the 3d..)

thank you,
