sultan was educated in the states. knows africa very well. He and I have a high degree of trust , he has never once disappointed, misled or re-negged. He is well versed in religions. He builds a sale that for me is mind boggling.. built and sold the palm islands literally from sand in the ocean. He is informal and a food nut . He flew straight from st petersburg to my island though he was on his way to dubai simply in order to to make me a lamb dish. ( I don't think very much about food but.. he wouldn't take no for an answer )<=r>
