I have revised mine and yours to both be a little less severe yet making the same point. I also thought you were going to use the words used by one of the board, but in the absence of that I want you to make clear that there have been no complaints, only praise. I think that is important in the current climate. I hope you agree. Not every statement has to vilify.

Lawrence,

I've made suggestions to your note and am offering mine. I will need to get Executive Committee support for mine before I release it, but I want to see if we are on the same page at this point.
