Hello my dear friend,

As William Shakespeare said (The hardest battle in your life is when =people push you to be another person ). I have always been a career oriente= person and a goal achiever, but I also spent a lot of time finding my tru= self...and I am still on that journey trying to develop that side of me h=wever now I do it with lots fun. I will never let anyone distract me or sw=y me away from that path.

As I told you, I am now finally back to my normal routines, fully passionat= and focused on my gaming company hoping my baby can become financially in=dependent, consequently giving me full financial security and stability eli=inating the need to think of finding a job ever again.

A friend of mine believes in me and my capabilities. He thinks I never had =he opportunity to be in the right position even though I've had ac=ess to the right circle of people. Further more he believes that I have an=advantage being a female publisher, a rare phenomenon in the global gaming=industry and non existant in the region. Another advantage is my backgroun= in the Telecom industry, where I was ranked one of the top 50 strongest w=men in Middle East.

According to my friend this gives me a competitive edge and makes his work =asier.

This is why he is willing to arrange meetings with whomever is interested i= the gaming business in the region. By the way recently Saudi and Emirati =overnments created JV funds for SME. I am targeting them.

This is why currently I am spending most of my time preparing all the docum=nts to attract both governments and new investors that will help me build =he biggest mobile game company in the region.

Which brings me to you my dear friend. I am seeking your advise from an inv=stor's point view. I would really appreciate if you humbly become =y advisor helping me achieve my goals, I am sure, I will learn a lot from =ou . I know you don't usually give business advice for small sized=company, it is probably not attractive and up to your level. However hones=ly you are the only person that I know from that caliber that already was =umble enough to listen to me, open up to me and support me considering you= busy and hectic schedule.

I am approaching you personally and asking of you such a task because I kno= you religiously value friendships. I also believe I am one of your good l=yal friends.

I will be great-full, if you accept this challenge and advise a very =mall bedwin business owner with 0.1% ashkanazy genes. I will gladly fly to=you and share all the documents that I am producing for my future investor=.

If you don't have the time and you don't like the idea, ple=se please please just ignore the email, I am very understanding and will a=t as if this email was never written and sent to you, as agreed I will vis=t in minimum two months :-)

I appreciate the time you took out of your busy schedule to read this lengt=y request.

Regards,  
Aziza
