Hi Jeffrey,

The national results are:
--1 neg listing in 4th place. (Huffington)

The local results are:
--1 neg in 4th place. (Huffington)

Local results have improved. There used to be 3 neg listings. NY Post is now=in middle of 2nd page.

Both national and local results show 4 websites of yours on 1st page and 3 o= the 2nd.

I am concentrating this week on NY Press. I am also uploading all press to Y=xt so that all the business directories will pick it up automatically.

I talked to ██████ and she is getting back to re: websites where we can post=your foundation.

I have a few more foundation directories to list you on.

Still need to send you a review of digital whiteout.
