**Subject:** Fwd: Statement Request

This is the student paper at ASU. I am assuming I should give no statement but just checking for your advice. (See last=proposal, which is growing on me )

Asu has already made a=statement already pointing out that there have been no complaints of sexual=harassment against me by faculty staff or students at ASU.

=br>

I could reiterate that and add that I have never been a=cused or found in violation of sexual harassment codes at any institution I=have been affiliated with.

Or I could just r=iterate ASU's statement and say something positive like I am very p=oud to be working at ASU, it is the most exciting university i have been af=iliated with and thrilled to lead the fantastic team at origins project, on= of the most exciting programs st any university in the world, and be worki=g with great colleagues and students in physics and SESE.

<=r>

I am leaning toward the latter.

Lmk.

Subject: State=ent Request

Hello Professor Krauss.

The State Press is working on a story regarding the recent allegations published in a BuzzFeed story on Feb. 22.

We were hoping to speak with you about the article, the allegations and the University's response. We are aiming to publish the evening of Feb. 25, so please let us know if you or someone from your office is willing to talk prior to then.

Thank you.
