He is a bit younger than you, so peeing every half hour through the night is not challenge for him yet.

All kidding aside. The door swings towards the potty seat and he will favor the aft side of the vanity, then swing the door past him to close. I personally did this and have room to gain another 30 lbs without receiving a belly rub.

Best Regards,

Eric

Attached is a 10 page pdf with images from the G550 we just completed. We created a very unique and interesting floor plan for work, leisure and sleeping.

Below is how we received the aircraft:
