You were on the emails this weekend Richard we are get=ing answers quicker than anyone down there has before they are dealing wit= slow communication in PR due to their own issues

I have Pedro down in=PR who went to their offices on Friday pushing for the quote which they pr=mised that day and then on Saturday

So we are on the groun= pushing these items as well

I don't feel like we are on=the same team when there is a constant tone of what are you doing

We also have been speaking to every contractor we me= down there requesting proper proposals the tile guy being=the only guy who produced it ...be it 4 days late

Ac guy we have spoken to everyday and gc everyday and still don♦=80♦t have their proposals

Blue water prop=sals are 200% over priced

Short of Pedro pu=ting a gun to their head we will push to get the proposals for the generat=r today

Russell,

I am not concerned with the credit as w= will need to use them to refurbish anyway and we can deal with that later=.

I am simply asking why we have nothing done at all=on one generator... and no info back

We are on=the same team and I thought you were advised that if something is not goin= to come again as you promised, it should be you that reaches out and says=still not here...

Jeffrey called me and asked =f i had seen anything.

Both of us were surprised tha= not only had nothing arrived but no word of explanation from you was fort=coming..
